Total Ordered Pies																				

Baking/Thawing Instructions: Bake frozen fruit pies only! Set oven at 375 degrees. Remove plastic bag and place frozen pie on cookie sheet. Bake one to one hour fifteen minutes until fruit starts to bubble. Crust should be a golden brown. Frozen sugar cream, pumpkin, pecan and key lime are fully baked...do not re-bake. Remove plastic wrap and thaw 2 hours at room temperature or overnight in your refrigerator. Frozen soft pies are fully baked...do not re-bake. Thaw overnight in refrigerator.
