Greetings from Flora Community Club,

The Carroll County Fair is quickly approaching!! Last year, we asked local businesses to help make the fair more fun for ALL KIDS who attended. Well, we could NOT have been more THRILLED with the response we received!!! Our local kids definitely had some GREAT FUN because of businesses just like you!
With our sponsor donations we were able to provide at least 1 FREE thing every single evening which allowed families to come out more evenings!!!!

Sponsorships provided….

2 Nights of FREE BOUNCE HOUSE FUN to all kids!
1 Night of FREE LIONS CLUB Ice Cream Cones to all kids!
2 Nights of absolutely FREE Pony Rides to all kids!
We were able to pay the Dunk Tank rental fee for the Flora Fire Department!
Plus...We were able to cover the Garden Tractor Pull fee which allowed us to make that event FREE to Everyone to attend....Adults and Kids!!

Everyone loved how this worked out….Free Fun for kids...without taking money away from our nonprofit groups! And for our sponsors??? We created a roaming sandwich board sign which read “This is FREE to kids ALL Evening Thanks to these Generous Sponsors!!!” We also recognized our sponsors on our social media posts as well as in our Comet Ad! We hope you will consider providing Free Fun at the Fair to kids this year!! If you are able to help, please find the enclosed form and return it with your check made payable to the Flora Community Club. Questions?
